

# ERG Virtual Town Hall Meeting

**Join Us** | Upward Synergy invites you and your Employee Resource Group (ERG) members to participate in our Virtual Town Hall meeting to share information and highlight ERG best practices on issues involving leadership development, recruitment, retention, visibility, outcomes measurement and research.

**Wed. September 11<sup>th</sup> | Forge: Building the Foundations of Effective ERGs**

Whether you are forming new ERGs or looking toward effective succession planning, you need to get key best practices and processes in place. This session takes us through the journey of two Diversity & Inclusion executives who are leveraging best practices from multiple companies and their lived experiences to develop ERGs. Both experienced and novice ERG leaders and supporters will benefit from this panel. **Dr. Andrea Lewis, Chief Diversity & Inclusion Officer at BAE Systems Inc. & Jessica Choi, Director, Diversity & Industry Relations at Aramark** will share their thoughts on how to build foundations of effective ERGs.

**Jessica Choi**  
Director, Diversity &  
Industry Relations,

Upward Synergy and the University of California--Riverside, have partnered with CREW, operated by the Career Center at California State University--Fullerton, a 501(c)3 nonprofit organization, to disseminate information on best practices to support Employee Resource Groups. Upward Synergy is the hub for all ERGs. We synergize the collective knowledge, best practices and passion of ERGs across organizations. Our mission is to align Employee Resource Groups to augment their organization's business Return-On-Investment (ROI).
