

Virtual Town Hall Meeting

Join Us | Upward Synergy invites you and your Employee Resource Group (ERG) members to participate in our Virtual Town Hall meeting to share information and highlight ERG best practices on issues involving leadership development, recruitment, retention, visibility, outcomes measurement and research.

Wed. August 7th | How to Align Your Employee Resource Groups & Affinity Groups to Business Strategies

Employee Resource Groups (ERGs) and Affinity Groups continue to proliferate and grow within and across many companies, so how can more organizations collaborate with their ERGs to align them with the organization's business goals? **Neddy Perez, Global Vice President & Chief Diversity Officer at Ingersoll Rand Company** will share her thoughts on how to augment ERG and Affinity Group efforts toward business-aligned goals for their organizations.

Neddy Perez
Global Vice President & Chief Diversity Officer | Ingersoll Rand Company

Upward Synergy and the University of California, Riverside, have partnered with CREW, operated by the Career Center at California State University, Fullerton, a 501(c)3 nonprofit organization, to disseminate information on best practices to support Employee Resource Groups. Upward Synergy is the hub for all ERGs. We synergize the collective knowledge, best practices and passion of ERGs across organizations. Our mission is to align Employee Resource Groups to augment their Organization's business Return on Investment (ROI).
